FRIDAY 26/10/2012

14:30-15:00

REGISTRATIONS

14:30-15:00

FREE PAPER PRESENTATIONS

15:00-16:30

SESSION A. BASIC SCIENCES FOOT & ANKLE

15:00-15:15

The ankle, subtalar and midtarsal joints; an anatomical viewpoint

Speaker: Lagopoulos Menandros

15:15-15:30

The use of foot pressure platform in designing of orthotic-orthopaedic insoles

Speaker: Diamanto Malliotou Papasavvas

15:30-15:45

The function of the foot - Biomechanics

Speaker: Vlatis Georgios

15:45-16:00

Clinical Examination

Speaker: Lambros Athanatos

16:00-16:15

The foot and ankle - Radiology

Speaker: Demos Michaelides

16:15-16:30

Discussion

16:30-17:25

SESSION B. METATARSALGIA

16:30-16:50

Etiology

Speaker: Yves Tourné

16:50-17:10

Operative treatment when & how-metatarsal osteotomies

Speaker: Fernando Alvarez

17:10-17:25

Discussion

17:25-17:45

Lecture:

Historic Findings & Symbolisms of footprints

Speaker: Eleftherios E. Dounis

17:45-18:15

COMMERCIAL EXHIBITION OPENING

18:30-20:30

Opening Ceremony / Welcome Reception**Dedicated at the opening of the medical school of the University of Cyprus.****Venue: University of Cyprus**

(The language of the opening ceremony is Greek. Written translation in English will be given to all foreign participants)

Address by:**Mr. Stavros Malas (Minister of Health of the Republic of Cyprus)****Mr. Constantinos Christofides (Rector of the University of Cyprus)****'The Medical School at the University of Cyprus: who needs it?'****Speech by Prof. Andreas Adam**

(Member of the Administration Committee of the Medical School of the University of Cyprus)

SATURDAY 27/10/2012

09:00-10:00

REGISTRATIONS

09:00-10:00

FREE PAPER PRESENTATIONS

10:00-10:30

BREAK / COMMERCIAL EXHIBITION VISITING TIME

10:30-12:30

EFORT FORA - SESSION C. FIRST RAY PATHOLOGY (H.V= Hallux Valgus)

10:30-10:45

Opening of the EFORT forum

Speaker: Nicolaos P. Maroudias & Thierry Begue (EFORT)

10:45-11:00

Etiology - Natural History of Hallux Valgus

Speaker: Eleftheriou Kyriacos

11:00-11:15

How do you treat Algorithm + Conservative treatment

Speaker: Don Mc Bride

11:15-11:30

Distal osteotomies, when & how

Speaker: Yves Tourne

11:30-11:45

Proximal osteotomies, when & how

Speaker: Fernando Alvarez

11:45-12:00

Tarsometatarsal arthrodesis for the treatment of Hallux Valgus

Speaker: Thanos Badekas

12:00-12:15

Hallux Rigidus

Speaker: Don Mc Bride

12:15-12:30

Discussion & Summary of the EFORT Forum

12:30-14:30

LUNCH BREAK

12:30-13:30

Satellite Symposium by Alektor Pharmaceutical Ltd

Light lunch will be followed for all symposium participants

14:30-15:10

Keynote Lecture:

Interventional Radiology: It's Surgery, but not as surgeons know it

Speaker: Andreas Adam

15:10-18:10

SESSION D. TRAUMA

15:10-15:30

Pilon Fractures

Speaker: Antoniou Constantinos

15:30-15:50

Calcaneal fractures open or minimal invasive Reconstruction

Speaker: Peter Rosenfeld

15:50-16:10

Calcaneal fracture management with circular frames below the ankle joint.

An innovative approach.

Speaker: Malizos N. Konstantinos

16:10-16:30

Talus fractures

Speaker: Dionysios - Alexandros Verettas

16:30-16:50

Lisfranc fracture dislocation

Speaker: Thierry Begue

16:50-17:10	Achilles tendon acute ruptures Speaker: Antoniou Constantinos
17:10-17:30	Ankle instability acute and chronic Speaker: Peter Rosenfeld
17:30-17:50	Diabetic Ankle Fractures Speaker: Badekas Thanasis
17:50-18:10	Discussion
20:30	Gala Dinner

SUNDAY 28/10/2012

09:00-11:00	SESSION E. ARTHROSCOPY IN THE ANKLE AND FOOT
09:00-09:15	Basic Principles and practical aspects of the Foot and Ankle Arthroscopy Speaker: Peter Rosenfeld
09:15-09:30	Arthroscopic treatment of ankle impingement Speaker: Prof Kang-lai Tang
09:30-09:45	Subtalar joint arthroscopy Speaker: Prof Kang-lai Tang
09:45-10:00	Small joints arthroscopy of the Foot Speaker: Kyriacos Eleftheriou
10:00-10:15	Endoscopy of the non joint disease of foot Speaker: Prof Kang-lai Tang
10:15-10:30	Arthroscopic treatment of ankle osteochondral lesions Speaker: Kyriacos Eleftheriou
10:30-11:00	Discussion
11:00-11:30	BREAK / COMMERCIAL EXHIBITION VISITING TIME
11:30-13:15	SESSION F. ANKLE ARTHRITIS DEFORMITIES AND CONDITIONS
11:30-11:45	Adult acquired flatfoot deformity Speaker: Vlatis Georgios
11:45-12:00	The Diabetic foot general principles of treatment Speaker: Eleftherios E. Dounis
12:00-12:15	Open & Arthroscopic ankle arthrodesis Speaker: Prof. Kang-lai Tang
12:15-12:30	Ankle arthritis ankle arthroplasty treatment Speaker: Thanos Badekas
12:30-12:45	Triple arthrodesis and isolated fusions Speaker: Vlatis Georgios
12:45-13:00	Cavovarus foot reconstruction Speaker: Thanos Badekas
13:00-13:15	Discussion

END OF CONFERENCE

Invited Speakers:

Andreas Adam
Professor of Interventional Radiology at King's College London
Clinical Director of Radiology
Nuclear Medicine and Medical Physics at Guy's and Thomas' Hospital

Antoniou Constantinos MD, MSc
Orthopaedic Surgeon - Traumatologist

Demos Michaelides
Radiologist
A Evresis Diagnostic Centre
Nicosia - Cyprus

Diamanto Malliotou-Papasavvas
Podologist
Nicosia - Cyprus

Dionysios - Alexandros Verettas MD, PhD, MSc (Orth)
Democritus University of Thrace, Greece
President of Hellenic Association of Orthopaedic Surgery and Traumatology (HAOST)

Don Mc Bride
Consultant Orthopaedic Foot and Ankle Surgeon
University Hospital North Staffordshire
Past President British Orthopaedic Foot and Ankle Society
Council Member European Foot and Ankle Society
Council Member British Orthopaedic Association

Eleftherios E. Dounis M.D F.A.C.S
Consultant Foot Surgeon (emeritus)
Athens

Fernando Alvarez
Head of Foot and Ankle Unit
Hospital Sant Rafael, Barcelona, Spain

Kang-lai Tang, MD, PhD, Professor
Chief, Division of Foot and Ankle Surgery
Chief, Division of Shoulder and Elbow Surgery
Department of Orthopaedic Surgery
Southwest Hospital
The Third Military Medical University

Kyriacos Eleftheriou MD, FRCS(Orth)
Foot & Ankle Fellow
Chelsea and Westminster Hospital
London

Lambros Athanatos (MD, MRCSEd)
Trauma & Orthopaedic Registrar
Maidstone & Tunbridge Wells NHS Trust
U.K

Lagopoulos Menandros MD, PhD
Anatomy Lead
University of Nicosia

Malizos N. Konstantinos, MD, PhD
Professor & Chairman, Dpt of Orthopaedic Surgery & Musculoskeletal Trauma, University of Thessalia, Greece

Peter Rosenfeld
Consultant Foot & Ankle Surgeon
Imperial Hospital, Fortius Clinic
U.K

Thanos Badekas M.D
Director Foot & Ankle Clinic
Metropolitan Hospital Athens
Hon Treasurer European Foot & Ankle Society
Past President Greek Foot & Ankle Society

Thierry Begue (EFORT) M.D., Ph.D.
Senior orthopedic Surgeon
Professor of Orthopedic and Trauma Surgery
Chairman Department of Orthopaedic and Trauma Surgery, Antoine Beclere Hospital, University Paris-Sud XI, Clamart, France.
Professor of Orthopaedic Surgery, Bicetre Medical School, University Paris-Sud XI.

Vlatis Georgios
Orthopaedic Surgeon
Athens - Greece

Yves Tourne
Orthopaedic Surgery, Foot & Ankle Surgery
Past-President of the Association Francaise de Chirurgie du Pied
Chairman Education Committee of EFAS
Groupe Chirurgical République-Grenoble-France
ytme@me.com
